

Easy Integration with Leaf Trade

A powerful software stack for your clients

Leaf Trade is the solution to B2B cannabis eCommerce. We provide a best-in-class wholesale ordering platform for our clients. We use our integrations partners to expand our reach into every area of our customer's business from inventory, to fulfillment, to invoicing, to analytics.

Join our powerful software stack.

We choose the right technology partners to integrate with our system, so we can provide complete solutions and the best experience for our clients (and yours).

Starting with our open API makes integration easy and painless.

Together we are better, faster, and more attuned to the client's needs.

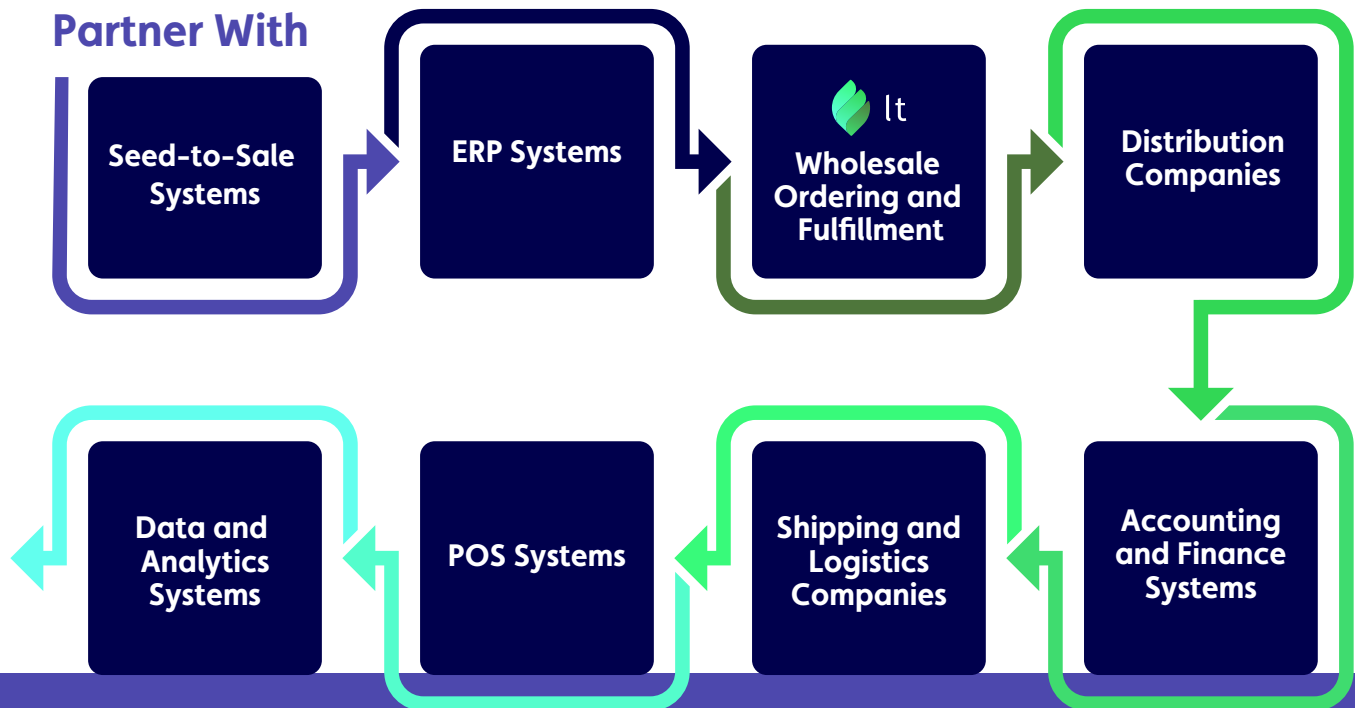

Save time and money - why start from scratch when you can use a framework that's trusted by thousands of industry professionals?

Improve customer experience by providing turnkey solutions.

Who We Partner With

Why Leaf Trade?

We're trusted by the nation's top cannabis cultivators, processors, retailers as well as ancillary suppliers. Our developers and customer success team have already deployed many integrations, so this isn't our first rodeo. We're here to ensure your success and the success of your clients.
